Accommodation and Transportation

The participants may be accommodated in the college hostel on request basis at nominal charges, however lunch along with the course material will be provided to the participants. We have our own college buses flying on daily basis, over 20 routes from various parts of the city. Participants can make use of these facilities.

Important Dates

- | | |
|-------------------------------------|--------------------------------|
| • Abstract submission | : 10 th April, 2022 |
| • Intimation of abstract acceptance | : 15 th April, 2022 |
| • Full paper submission | : 30 th April, 2022 |
| • Acceptance of full length | : 15 th May, 2022 |
| • Submission of camera-ready paper | : 10 th June, 2022 |
| • Last date for Registration | : 15 th June, 2022 |

Selected papers will be published in the conference proceedings and full paper will be published in Q rated and Scopus indexed journal after peer reviewed with additional cost.

Who can participate?

Academicians and PG students from institutions and universities, working professionals, research scholars from academic and industry including R&D organizations are invited to present papers.

Registration Fee

- | | |
|------------------------------|----------------------|
| • Professionals/Academicians | : Rs.2000(USD 40\$) |
| • Industry Participants | : Rs.5000(USD 80\$) |
| • Research Scholars | : Rs.2000(USD 40\$) |
| • PG Students | : Rs.1500 (USD 35\$) |

About REVA University

Established under the REVA University Act 2012, the University is recognised by the University Grants Commission (UGC) and is approved by the AICTE (All India Council for Technical Education).

REVA University prides itself in contributing to every student's holistic development. The University currently offers 40 full-time Under Graduate Programmes, 30 full-time Post Graduate programmes, 17 Ph.D. programmes and certification and diploma programmes. The University offers programmes in Engineering, Architecture, Science and Technology, Commerce, Management Studies, Law, Arts & Humanities, and Performing Arts. Courses are offered in Certificate/Diploma and Post Graduate Diploma too. REVA University facilitates research leading to a Doctoral Degree in all disciplines. The programmes offered by REVA University are well-planned and designed based on methodical analysis and research with emphasis on knowledge assimilation, practical applications, hands-on training, global and industrial relevance, and their social significance. REVA University believes in preparing students through the Choice Based Credit System (CBCS) and Continuous Assessment and Grading Pattern (CAGP) of education. The CBCS & CAGP pattern of education has been introduced in all programmes to enable students to opt for subjects of their choice in addition to the core subjects of study and to train them with vocational skills. This methodology helps students earn more credits and facilitates students pursue additional Proficiency Certificates and Diplomas. The faculty is an active part of the academic dialogue. Teachers and instructors with illustrious academic experience are the architects of the meticulously designed curriculum and program modules offered at REVA University. They come with industrial exposure and experience that often translates through their teaching, thus bridging the gap between the industry and academia.

REVA University has an updated, ever-evolving collection of books, journals, and digital content in the library with the latest IT infrastructure that ensures students have information at their disposal. The lush green campus, state-of-the-art laboratories, customdesigned classrooms to enable seamless learning, and worldclass indoor and outdoor sports facilities make REVA University the most preferred university among students and MNCs that visit the campus for placements.

About The School

The School of Mechanical Engineering, REVA University is headed by dedicated and Experienced Professor of Mechanical Engineering and is supported by well qualified faculty members. The school has state of the art classrooms and well equipped laboratories. The school offers B.Tech Mechanical Engineering and Mechatronics Engineering & M.Tech Machine Design Program's. It also has Research Program's leading to Doctoral degree. The

curriculum of both graduate and post graduate degree programs have been designed to meet the present and future mechanical engineers. It attempts to bridge the gap between academia and industry.

Scope

The conference will have plenary lectures followed by parallel sessions. Plenary lectures will be delivered by eminent personalities of repute to introduce the theme of the conference. Conference is to provide a platform to Researchers, Young aspiring Engineers, Academicians & PG students, to present their research findings of their respective domains of knowledge and share ideas and views. The papers are invited for the following listed areas.

- Design Engineering, CAD, CAM & CAE
- Rapid Prototyping & Reverse Engineering
- Virtual Reality, Alternate fuels
- Thermal Engineering
- Energy Engineering
- Metallurgy & Materials Science
- Composites, Mechatronics
- Industrial Engineering & Management
- Product Design & Development
- Tool Design, Nano & Smart Materials
- Aeronautical & Automobile Engineering
- Ingot Metallurgy
